

Public Notice: Haiti Reformation Project Legal RICO Mandate
regarding the CORE Group/Core Group-OAS Trust and
Transitional Presidential Council or Criminal Mafia Organization
operating as the Government of Haiti

This is a legally binding document due to the service of Uni-lateral Declaration on Behalf of Haiti dated October 17, 2018, Power-of-Attorney, and HAITI REFORMATION PROJECT TABULA-RASA ACCORD/Cease-and-Desist-Order dated March 26, 2021 to the Permanent Mission of Venezuela to the United Nations; Permanent Mission of Unites States to the United Nations; Permanent Mission of Haiti to the United Nations; and the United Nations. Upon reception of said dossier, President Moise rescheduled his April 25, 2021 Constitutional Referendum to June 27, including the Haitian diaspora, as requested by the HAITI REFORMATION PROJECT TABULA-RASA ACCORD/Cease-and-Desist-Order.

The Haiti Reformation Project is a non-profit which was established to work with the United Nations to form a commission of the Haitian diaspora to go to Haiti and investigate corruption such as the misappropriation of IHRC and PetroCaribe funds; Drug trafficking; exploitation by the banking system and private sector; to reorganize the military/police and install a new system of governance accountable to the people.

The Haiti Reformation Project Legal RICO Mandate derives its authority from the Power-of-Attorney of record at the United Nations and the Racketeer Influenced and Corrupt Organizations (RICO) Act which is a United States federal law that provides for extended criminal penalties and has been utilized internationally for acts performed as part of an ongoing criminal organization. The Haiti Reformation Project has provided evidence which proves that, under the auspices of the CORE Group/CORE Group-OAS Trust, the Government of Haiti is operating as a criminal organization. Evidence concerning United Nations Security Council Resolution (UNSCR) 940; UNSCR 1542; and UNSCR 1890 provided in Class Action Complaint 22CV8504 (filed with the U.S. Southern District of New York; and a Uni-lateral Declaration by UN member-state Republic of Haiti (Haiti Reformation Project complaint) served to the UN Secretary General, Permanent UN Security Council Member Russia, Permanent UN Security Council Member China, and Permanent Haiti Mission to UN; for processing to the International Court of Justice.

Wherefore,

The Haiti Reformation Project plans to address the illegal/covert placement of the Republic of Haiti under the auspices of the CORE Group/CORE Group-OAS Trust by Andre Apaid, Civil Society Group 184, via Tripartite Accord with Permanent UN Security Council Member US, Permanent UN Security Council Member France, Permanent UN Security Council Member Britian, and UN member-state Canada for Unjust Enrichment of Haiti's Natural Resource; via UNSCR 1542 United Nations Stabilization Mission in Haiti (MINUSTAH); by holding a registration campaign for a peaceful Transfer-of-Power to a Transitional Government of Nouvelle Haiti!!!

The Power-of-Attorney of record, for the Republic of Haiti, at the United Nations has been violated by foreign entities and the presence of Colombian Mercenaries, deployment of Kenyan troops via UNSCR 2699, and now privately owned Vectus Global (former Blackwater mercenaries) in Haiti. The People of the Republic of Haiti, United Nations nor International Community recognize Transitional Presidential Council (TPC). The Republic of Haiti won't regain sovereignty in the eyes of the United Nations nor International Community until the island-nation is removed from under the umbrella of the CORE Group/CORE Group-OAS Trust organization.

Therefore,

Haiti Reformation Project will execute this Legal RICO Mandate by holding a registration campaign for a peaceful Transfer-of-Power to a Transitional Government of Nouvelle Hayti; which will be registering as many people as possible into Haiti's National Trust Structure via www.Haitireformationproject.com. Once a Critical Mass of the Haitian population has enrolled into Haiti's National Trust Infrastructure@www.HaitiReformationProject.com; the NGO Haiti Reformation Project can begin a peaceful Transfer-of-Power to the Transitional Government of Nouvelle Hayti from the 9-member TPC or Criminal Mafia Organization operating as the Government of Haiti (which is not recognized by the international community). The Transitional Government of Nouvelle Hayti will also be implementing a zero tolerance for violence policy and request that the 9-member TPC, Haitian Military, Haitian Police; and All other Authorities defending the interests of CORE Group/CORE Group-OAS Trust Stand Down!

Wherefore,

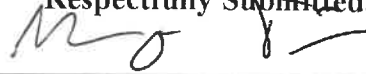

The Transitional Government of Nouvelle Hayti will be led by Commandant Minister General Marc Pierre, a Military/Police Delegation of 100 Haitian veterans, and the Transitional Board of Managing Directors. It will be rescinding UNSCR 940 (which illegally disbanded the Haitian military FAD'H), and officially reinstating the Indigenous Army of Haiti. Commandant-Minister General Marc Pierre and the Military Delegation will provide security, install a new military and assist in addressing the insecurity in Haiti. Due to the fact that President Moise was assassinated while in the process of conducting a Constitutional Referendum on behalf of the Haitian diaspora; the Transitional Government of Nouvelle Hayti will investigate his assassination and complete his Constitutional Referendum (based on the Constitution of 1804). The Transitional Government of Nouvelle Hayti will be activating Haiti's National Trust Infrastructure by replacing the Bank of Haiti with a National Credit Union and Cooperative and connecting the National Trust Infrastructure to it. Not only is Haiti utilizing the internet to form a government a Revolutionary act it's

also the next step in the evolution of Democratic government. In fact, Haiti is implementing the most powerful government in the world because we will be attaching AI to Haiti's National Trust Infrastructure will operate as a Government/National Credit Union and Cooperative whose profits and dividends will flow directly into the accounts of the Managing Director of Haiti's National Trust Infrastructure!!!
